Assumptions Used in Arriving at Fiscal Estimate

Senate Bill (SB) 319 applies only to proposed administrative rules that have been considered at the joint annual spring fish and wildlife rule hearing of the Department of Natural Resources and county meeting of the Wisconsin Conservation Congress. The bill restores the statutory language in place prior to the promulgation of 2011 Wisconsin Act 21 with regard to gubernatorial approval of proposed rules; when an economic impact analysis of a proposed administrative rule must be prepared; and what information must be included in the economic impact analysis.

The bill has no state fiscal effect.

Long-Range Fiscal Implications
