DATCP 1/27/2012

LRB Number	<b>11-3846/1</b>	Introduction Number	<b>SB-396</b>	Estimate Type	<b>Original</b>
<b>Description</b> Financial assistance for the livestock premises registration program, a tax credit for livestock identification tags and tag-reading equipment, and making an appropriation					

### Assumptions Used in Arriving at Fiscal Estimate

This bill requires the Department of Agriculture, Trade & Consumer Protection (DATCP) to provide matching grant funds up to \$250,000 to any agent DATCP would contract with for administration of the livestock premises registration program. This bill also creates appropriation 20.115(2)(e) for payment of those funds.

For purposes of this fiscal estimate, DATCP assumes the contracting agent will be able to generate \$250,000 in private revenue, obligating the department to provide the maximum matching funds of \$250,000 in GPR funds to the contract agent annually.

The bill also provides for a tax credit of 25% for radio frequency identification (RFID) tags and readers obtained through a program administered by the Wisconsin Livestock Identification Consortium (WLIC). DATCP defers to the Department of Revenue's fiscal estimate for the fiscal impact of this provision.
