**State of Wisconsin  
Department of Health Services**

April 19, 2011

The Honorable, The Legislature:

The Department of Health Services is pleased to submit the 2010 Annual Report to the Governor and the Legislature on the Wisconsin Tobacco Prevention and Control Program (TPCP). The report is required by Wisconsin Statute s. 252.01(11).

Every dollar invested in the state's comprehensive tobacco control program yields dividends in health care savings. Tobacco use contributes to the deaths of more people each year in Wisconsin than alcohol, Acquired Immune Deficiency Syndrome (AIDS), car crashes, illegal drug use, murder and suicide combined. The work of the TPCP and its partners will continue to reduce the burden of tobacco in Wisconsin.

Sincerely,  
DENNIS G. SMITH  
Secretary
