

**WISCONSIN LEGISLATIVE COUNCIL
ACT MEMO**

2011 Wisconsin Act 20 [2011 Senate Bill 61]	Multiple Trip Permits for Overweight Vehicles Transporting Granular Roofing Material
---	---

2011 Wisconsin Act 20 eliminates the sunset date on the authority of the Department of Transportation (DOT) to issue multiple trip permits for overweight vehicles transporting granular roofing materials. Elimination of the sunset date allows DOT to continue issuing these permits.

Prior law authorized DOT to issue multiple trip permits for the transportation of granular roofing material in vehicles or combinations of vehicles that exceed the applicable maximum gross weight limit by not more than 10,000 pounds, but prohibited DOT from issuing the permits after August 1, 2011.

2011 Wisconsin Act 20 eliminates the prohibition against issuing these multiple trip permits after August 1, 2011.

Effective date: June 8, 2011

Prepared by: Katie Bender-Olson, Staff Attorney

May 31, 2011
