

## WISCONSIN LEGISLATIVE COUNCIL AMENDMENT MEMO

**2011 Senate Bill 315**

**Assembly  
Amendment 1**

*Memo published:* March 14, 2012

*Contact:* Anne Sappenfield, Senior Staff Attorney (267-9485)

*Senate Bill 315* extends the change made in 2011 Wisconsin Act 105, relating to use of a pupil's law enforcement and juvenile court records by a school district for disciplinary purposes, to additional portions of the statutes governing those records.

*Assembly Amendment 1* provides that the Milwaukee Public Schools may enter into one memorandum of understanding (MOU) that reduces the cost of compensation or fringe benefits in the collective bargaining agreement that covers the employees, that was entered into before February 11, 2011, and that is in effect on the effective date of Senate Bill 315. The amendment specifies that the modification is not a modification for purposes of 2011 Wisconsin Act 10 as it relates to collective bargaining. The amendment provides that the MOU remains in effective for the duration of the current collective bargaining agreement and continues to be effective after the collective bargaining agreement expires until a new collective bargaining agreement takes effect. However, if the MOU contains a provision addressing a subject that, at the expiration of the collective bargaining agreement, becomes a prohibited subject of bargaining, that provision is no longer effective. The MOU provided for in the amendment must be entered into within 30 days after the effective date of Senate Bill 315.
