AN ACT to amend 40.22 (2) (a), 40.22 (2) (am), 40.22 (2m) (intro.), 40.22 (2r), 40.22 (3) (b) 2., 40.23 (1) (a) 1., 40.26 (1) and 40.26 (2) (intro.); and to create 40.26 (1m) of the statutes; relating to: eligibility for participating employee status and the Wisconsin Retirement System and post-retirement employment of annuitants under the Wisconsin Retirement System.

Analysis by the Legislative Reference Bureau

Under current law, a participant in the Wisconsin Retirement System (WRS) who has attained the age of 55, or a protective occupation participant who has attained age 50, is entitled to receive a WRS annuity if, among other requirements, the participant is separated from covered employment under the WRS until the latest of the following: the annuity effective date; the date 30 days after the application is received by the Department of Employee Trust Funds (DETF); or the date 30 days after separation from all covered employment. The bill provides that the participant must be separated from covered employment under the WRS for at least 180 days.

2011 Wisconsin Act 32 increased the number of hours that an employee must work in order to become a participating employee in the WRS, from one-third of what is considered full-time employment to two-thirds of what is considered full-time employment, as determined by DETF by rule. This change in law applied to those employees who were first hired by a WRS employer on or after July 1, 2011. This bill reduces that eligibility requirement to 660 hours for a teacher or educational support
personnel employee, and 1,000 hours for all other employees. The bill further provides that this change in law does not affect employees who were participating employees at any time before July 1, 2011. As a result, these individuals are subject to the one-third employment requirement for WRS participation purposes.

In addition, under current law, when a WRS participant terminates covered employment and becomes an annuitant he or she may return to covered employment and either terminate the annuity and again become a participating employee or, instead, continue to receive the annuity, as well as wages from covered employment. If a participant continues to receive the annuity, he or she may not be a participating employee in the WRS and, in the case of state employment, is not eligible for group insurance benefits provided to participating employees, and may not use any of his or her employment service as a rehired annuitant for any WRS purposes. If the participant terminates the annuity, he or she returns to participating employee status and is eligible for all group insurance benefits provided other participating employees, as well as is able to accumulate additional years of creditable service under the WRS for the additional period of covered employment.

This bill provides that, beginning on the bill’s effective date, if a participant in the WRS, who is receiving an annuity, or a disability annuitant who has attained his or her normal retirement date, is appointed to a position in covered employment in which he or she is expected to work at least one-half time, the participant’s annuity must be terminated and no annuity payment is payable until after the participant terminates covered employment.

The bill also provides that, if a participant receiving a retirement annuity, or a disability annuitant who has attained his or her normal retirement date, enters into a contract to provide employee services with a participating employer after the bill’s effective date, and he or she is expected to work at least one-half time, the participant’s retirement annuity must be terminated and no annuity payment is payable until after the participant no longer provides employee services under the contract.

Because this bill relates to public employee retirement or pensions, it may be referred to the Joint Survey Committee on Retirement Systems for a report to be printed as an appendix to the bill.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
