Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing license plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special plates were specifically enumerated in state law. With certain exceptions, current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special plates displaying the words “In God We Trust.” In addition to the regular vehicle registration fee, special group members must pay a $15 fee for issuance or reissuance of these special plates, which...
fee is deposited into the veterans trust fund. Special group members must also pay a $25 annual fee that provides funds to the Department of Veterans Affairs for the care of residents of the Wisconsin veterans homes.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
