AN ACT to create 49.45 (2) (a) 15m. of the statutes; relating to: notice of eligibility and benefit changes in Medical Assistance.

Analysis by the Legislative Reference Bureau

Under current law, the Department of Health Services (DHS) administers the Medical Assistance (MA) program, under which eligible low-income individuals or families receive health care benefits. This bill requires DHS to notify MA recipients, at least 60 days in advance, before implementing any change under MA affecting eligibility or benefits. The notice must be written in clear language that is understandable to laypersons and must describe how the change will affect a recipient.
