AN ACT to amend 995.225 (1) (intro.) of the statutes; relating to: changing the
date of fire prevention week from the week of October 8 to the week of October 9.

Analysis by the Legislative Reference Bureau

Under current law, Wisconsin observes fire prevention week during the week that contains October 8, the anniversary of the start of the Peshtigo and Chicago fires. The National Fire Protection Association observes fire prevention week during the week that contains October 9, the date when most of the damage in Peshtigo and Chicago occurred. In some years, these dates occur in different weeks.

This bill changes the reference date for fire prevention week from October 8 to October 9.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
