AN ACT to amend 341.14 (6r) (b) 1., 341.14 (6r) (c) and 341.14 (6r) (fm) 7.; and

and 341.14 (10) of the statutes; relating to: special distinguishing registration plates associated with Wisconsin Trout Unlimited and making an appropriation.

Analysis by the Legislative Reference Bureau

Under current law, any group or organization may apply to the Department of Transportation (DOT) for designation as an authorized special group. If the application is approved, members of the authorized special group may obtain special distinguishing registration plates for certain vehicles, including automobiles and motor homes, that are owned or leased by special group members. A fee, in addition to the regular registration fee for the particular kind of vehicle, is charged for the issuance or reissuance of most special plates.

Before October 2, 1998, authorized special groups whose members may obtain special plates were specifically enumerated in state law. With certain exceptions, current law provides that specific enumeration in state law of authorized special groups is limited to those special groups enumerated before October 2, 1998.

This bill establishes an authorized special group specifically enumerated in state law for persons interested in obtaining special plates supporting Wisconsin Trout Unlimited. In addition to the regular vehicle registration fee, special group members are required to pay a $15 fee for issuance or reissuance of the special plates
and a $25 annual fee that provides funds to Wisconsin Trout Unlimited, Inc. The bill requires the special plates to display the words “Trout Unlimited.” However, DOT may not issue these special plates until DOT has obtained, if necessary, authority to use any applicable trademark or service mark associated with these special plates. For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
