2011 ASSEMBLY BILL 542

February 7, 2012 – Introduced by Representatives Kerkman, Brooks, Endsley, Spanbauer and Wynn, cosponsored by Senators Galloway and Holperin. Referred to Committee on Ways and Means.

1 AN ACT to amend 71.935 (1) (cr) of the statutes; relating to: the definition of municipality for purposes of tax refund setoffs.

Analysis by the Legislative Reference Bureau

Under current law, if a person owes a debt of at least $20 to a county or municipality, and if the debt has been reduced to a judgment or the county or municipality has provided the debtor reasonable notice and an opportunity to be heard with regard to the debt, the county or municipality may certify the debt to the Department of Revenue (DOR) so that DOR may collect the debt by subtracting the debt amount from any tax refund owed to the debtor. Under current law, for purposes of certifying debt to DOR, a “municipality” means any city, village, or town, and includes any entity providing consolidated services among cities, villages, and towns.

This bill clarifies that, for purposes of certifying debt to DOR, a “municipality” means any city, village, or town, and includes any entity formed pursuant to an intergovernmental cooperation contract or agreement to provide consolidated services directly to cities, villages, and towns.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.
