2011 ASSEMBLY BILL 65

March 28, 2011 – Introduced by Representatives KRAMER, KUGLITSCH and HONADEL, cosponsored by Senators VUKMIR, WANGGAARD and LAZICH. Referred to Committee on Labor and Workforce Development.

AN ACT to renumber 62.53; to amend 62.53 (title) and 63.25 (1) (a); and to create 62.53 (2) of the statutes; relating to: placing limits on residency requirements for 1st class city police officers and fire fighters.

Analysis by the Legislative Reference Bureau

Under current law, a 1st class city (presently only Milwaukee) is required to have a civil service commission which is required to make rules to carry out the purposes specified in state statutes. One of the statutes requires that the city provide competitive examinations to test applicants for employment as to their practical fitness to perform the duties of the position for which they have applied. The examinations must be public and free, and may contain proper limitations in areas including residence, age and health.

Under this bill, if a 1st class city has residency requirements for its employees who are police officers or fire fighters, the residency requirement must at least allow such individuals to live in the county in which the 1st class city is entirely or predominantly located and in any county that is adjacent to the county in which the city is entirely or predominantly located.

For further information see the local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
SECTION 1. 62.50 (5) of the statutes is amended to read:

62.50 (5) Examinations. The examinations shall be practical in their character and shall relate to those matters which fairly test the relative capacity of the candidates to discharge the duties of the positions in which they seek employment or to which they seek to be appointed and may include tests of manual skill and physical strength. The board shall control all examinations and may designate suitable persons, either in the official service of the city or not, to conduct such examinations and may change such examiners at any time, as seems best.
