7 to: limiting the number of individual income tax checkoffs and combining the
8 breast cancer and prostate cancer checkoffs into a checkoff for cancer research.

Analysis by the Legislative Reference Bureau

Under current law, an individual income tax check−off procedure exists that
1 allows an individual who files a return to designate any amount of additional
payment or any amount of a refund due for the endangered resources program. Similar checkoffs exist to provide payments to several other programs, including a veterans trust fund, prostate cancer research, multiple sclerosis programs, a fire fighters memorial, which is temporary and expires after $400,000 is designated, and an breast cancer research program, and to provide a donation to a professional football stadium district.

For taxable years beginning after December 31, 2011, taxpayers may not have the opportunity to make such a designation to more than ten checkoffs, not including
SENATE BILL 321

temporary checkoffs, and no temporary checkoffs may be created after December 31, 2011. The bill also prohibits the Department of Revenue (DOR) from placing more than ten checkoffs on the income tax form, and repeals the current law provision that requires DOR to highlight certain checkoffs with a symbol. Other than a checkoff created in a bill that is introduced in both houses of the legislature before June 1, 2011, if any checkoff is created after December 31, 2011, and before January 1, 2015, it may not appear on the tax form, and no designations may be made to the checkoff, before January 1, 2015.

Beginning in September 2014, and every two years thereafter, the bill requires the secretary of revenue to rank the checkoffs in order of the amount of designations received during the previous two-year period.

If more than 11 checkoffs exist, not including temporary checkoffs, only the top eight checkoffs, in terms of designations received, may appear on the tax form for the next two years, and the ninth and tenth places on the tax form will be taken by checkoffs that haven't received any designations during the previous two-year period. The new checkoffs that appear on the form will be the oldest checkoffs, based on the date on which such a checkoff was added to a list of eligible checkoffs by DOR and by the date on which a checkoff took effect.

For further information see the state and local fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

71.10 (5s) LIMITATIONS ON CHECKOFFS. (a) For taxable years beginning after
December 31, 2011, individuals may not have the option of making a designation to
more than 10 individual income checkoffs and the department may not place more
than 10 checkoffs on the income tax form. If a checkoff is created for taxable years
beginning after December 31, 2011, and before January 1, 2015, the department may
not place it on the form, and no designations may be made to the checkoff, for a
taxable year that begins before January 1, 2015, except that this limitation does not
apply to a checkoff created in a bill that is introduced in both houses of the legislature
before June 1, 2011. The limitations in this paragraph do not apply to the checkoff
under sub. (5fm).

(b) For taxable years beginning after December 31, 2011, there may be no
individual income tax checkoffs of a temporary nature other than the checkoff under
sub. (5fm).

(c) Beginning in September 2014, based on the amounts certified by the
secretary of revenue in August or September 2013, and 2014, as specified in subs. (5)
h, (5e) h, (5f) h, (5g) h, (5h) h, (5i) h, (5j) h, (5k) h, and (5m) h, and for
every 2-year period thereafter, the secretary of revenue shall rank the checkoffs
based on the total amount of designations received for each checkoff for each 2-year
period. For each 2-year period, beginning with 2014, the secretary of revenue shall
rank every checkoff that is created under this section.

(d) 1. If more than 11 checkoffs exist under this section after August 14, 2014,
and every 2 years thereafter, not including the checkoff under sub. (5fm), only the
8 highest ranking checkoffs for which designations were made in the previous 2-year
period may appear on the income tax form for the next 2 taxable years.

2. The remaining 2 checkoffs for which designations may be made and which
shall be placed on the income tax form for the next 2 taxable years, in place of the 2
lowest ranking checkoffs, shall be checkoffs that have not received any designations
during the previous 2-year period.

3. The 2 remaining checkoffs, described under subd. 2., shall be the 2 oldest
checkoffs, based on the date each checkoff was placed on a list of checkoffs,
maintained by the department, that are eligible to be placed on the form. If 2 or more checkoffs have been placed on the list at the same time, the oldest checkoff shall then be calculated according to their effective dates.

4. If 10 checkoffs exist under this section after August 14, 2014, not including the checkoff under sub. (5fm), those 10 checkoffs may appear on the income tax form for the next 2 taxable years.

5. If 11 checkoffs exist under this section after August 14, 2014, not including the checkoff under sub. (5fm), only the 9 highest ranking checkoffs for which designations were made in the previous 2-year period may appear on the income tax form for the next 2 taxable years. The remaining checkoff for which designations may be made and which shall be placed on the income tax form for the next 2 taxable years, in place of the lowest ranking checkoff, shall be a checkoff that has not received any designations during the previous 2-year period. This last checkoff shall be selected using the method described under subd. 3.

The secretary of revenue shall provide a place for the designations under this subsection on the corporate income and franchise tax returns and the secretary shall highlight that place on the returns by a symbol chosen by the department of veterans affairs that relates to veterans.
