February 9, 2012 – Introduced by Senators SCHULTZ and DARLING, cosponsored by Representatives RIVARD, BALLWEG, DOYLE, KERKMAN and ENDSLEY. Referred to Committee on Insurance and Housing.

AN ACT to amend 452.09 (3) (d); and to create 452.09 (4) of the statutes; relating to: experience requirements for real estate brokers and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Under current law, the Real Estate Examining Board (board) issues licenses for real estate brokers and real estate salespersons. Generally, the board may not grant a broker’s license to an applicant who does not already hold a salesperson’s license or who has not passed the examination for licensure as a salesperson in addition to passing the broker’s examination.

This bill establishes the requirement that an applicant for a broker’s license must submit evidence satisfactory to the board that the applicant has practiced as a salesperson under the direct supervision of a licensed broker for at least two years within the last four years preceding the date of the applicant’s application for the broker’s license. Any time spent as an apprentice may not be applied to satisfy that requirement. If the applicant is an attorney licensed to practice law in Wisconsin, the applicant may satisfy that requirement by demonstrating to the board’s satisfaction that the applicant has real estate-related experience. If the applicant is a nonresident, the applicant may satisfy that requirement by demonstrating to the board’s satisfaction that the applicant has been licensed as a real estate broker under...
the laws of another state for at least two of the last four years preceding the person’s application for a broker’s license in Wisconsin.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
