2011 SENATE BILL 528

AN ACT to amend 5.056, 6.24 (3), 6.275 (1) (b), 6.28 (1), 6.30 (1), 6.32, 6.33 (1), 6.33 (2) (a), 6.34 (2), 6.35 (1) (intro.), 6.36 (2) (c), 6.40 (1) (a) 1., 6.40 (1) (c), 6.50 (10), 6.55 (2) (d), 6.86 (3) (c), 6.87 (4) (b) 1., 7.08 (1) (c), 85.61 (1) and 343.027; to repeal and recreate 343.027; and to create 6.30 (5), 6.34 (2m), 6.34 (4) and 6.35 (2) of the statutes; relating to: electronic voter registration, verification of certain registrations, and proof of residence for voting in an election and granting rule-making authority.

Analysis by the Legislative Reference Bureau

Currently, a qualified elector may register to vote at any election by mail or by completing a registration form with a special registration deputy no later than the 20th day before the election. A qualified elector may also register to vote at an election in person at the office of the municipal clerk or board of election commissioners for the municipality where the elector resides no later than 5 p.m. on the Friday before the election. In order to register, an elector must provide his or her name and address and certain other information required to ascertain his or her eligibility and must sign the form. With certain exceptions, an elector who registers after the 20th day before an election or an elector who registers by mail and who has not voted before in an election in this state must provide proof of residence prior to voting. Currently, the clerk or board of election commissioners must verify each
registration received by mail or submitted by a special registration deputy by
sending a first−class letter or postcard to the registrant at the registrant’s address.

This bill permits a qualified elector who has a current and valid driver’s license
or identification card issued by the Department of Transportation (DOT) to register
to vote at an election electronically on a secure Internet site maintained by the
Government Accountability Board (GAB). The bill requires an electronic
registration to be completed no later than the 20th day before an election in order to
be valid for that election. Under the bill, a qualified elector enters the same
information that appears on the current registration form and authorizes DOT to
forward a copy of his or her electronic signature to GAB. The authorization affirms
that all information provided by the elector is correct and has the same effect as if
the elector signed the form personally. The bill also permits an elector who is
currently registered to vote and who has a current and valid driver’s license or
identification card to electronically enter a change of name or address using a similar
procedure. Under the bill, an electronic registration is treated the same as a mail
registration. GAB or the clerk or board of election commissioners of the elector’s
municipality of residence must verify the registration by sending a first−class letter
or postcard to the registrant at the registrant’s address and, if the registrant is voting
for the first time in an election in this state, the registrant must provide proof of
residence before voting in the election. However, the bill also provides that if an
elector who registers electronically provides his or her Wisconsin driver’s license
number, together with his or her name and date of birth, and GAB is able to verify
the information electronically at the time of registration by electronically accessing
records of DOT, the elector need not provide proof of residence prior to voting. The
bill directs GAB and DOT to enter into an agreement that permits GAB to verify the
necessary information instantly by accessing DOT’s electronic files.

Currently, each municipal clerk and board of election commissioners must
maintain a file of voter registration forms for the electors of the municipality. This
bill provides that the clerk or board must maintain registrations that are entered
electronically in the manner prescribed by GAB, by rule.

The changes first apply with respect to registration for voting at the first spring
or September primary election that follows the day the bill becomes law by at least
six months.

For further information see the state and local fiscal estimate, which will be
printed as an appendix to this bill.

SECTION 20. 6.86 (3) (c) of the statutes, as affected by 2011 Wisconsin Act 23, is amended to read:

6.86 (3) (c) An application under par. (a) 1. may be made and a registration form under par. (a) 2. may be filed in person at the office of the municipal clerk not earlier than 7 days before an election and not later than 5 p.m. on the day of the election.
A list of hospitalized electors applying for ballots under par. (a) 1. shall be made by
the municipal clerk and used to check that the electors vote only once, and by
absentee ballot. If Except as provided in s. 6.34 (2m), if the elector is registering for
the election after the close of registration or if the elector registered by mail or by
electronic application and has not voted in an election in this state, the municipal
clerk shall inform the agent that proof of residence under s. 6.34 is required and the
elector shall enclose proof of residence under s. 6.34 in the envelope with the ballot.
The clerk shall verify that the name on any required proof of identification presented
by the agent conforms to the name on the elector’s application. The clerk shall then
enter his or her initials on the carrier envelope indicating that the agent presented
proof of identification to the clerk. The agent is not required to enter a signature on
the registration list. The ballot shall be sealed by the elector and returned to the
municipal clerk either by mail or by personal delivery of the agent; but if the ballot
is returned on the day of the election, the agent shall make personal delivery to the
polling place serving the hospitalized elector’s residence before the closing hour or,
in municipalities where absentee ballots are canvassed under s. 7.52, to the
municipal clerk no later than 8 p.m. on election day.

SECTION 21. 6.87 (4) (b) 1. of the statutes, as affected by 2011 Wisconsin Act 23,
is amended to read:

6.87 (4) (b) 1. Except as otherwise provided in s. 6.875, the elector voting
absentee shall make and subscribe to the certification before one witness who is an
adult U.S. citizen. The absent elector, in the presence of the witness, shall mark the
ballot in a manner that will not disclose how the elector’s vote is cast. The elector
shall then, still in the presence of the witness, fold the ballots so each is separate and
so that the elector conceals the markings thereon and deposit them in the proper
envelope. If a consolidated ballot under s. 5.655 is used, the elector shall fold the ballot so that the elector conceals the markings thereon and deposit the ballot in the proper envelope. Except as authorized in subds. 2. to 5. and s. 6.875 (6) and notwithstanding s. 343.43 (1) (f), if the elector has not enclosed a copy of his or her proof of identification with his or her application, the elector shall enclose a copy of the proof of identification in the manner provided in sub. (1) in the envelope, unless the elector is a military elector or an overseas elector or the elector has a confidential listing under s. 6.47 (2). If proof of residence under s. 6.34 is required and the document enclosed by the elector under this subdivision does not constitute proof of residence under s. 6.34, the elector shall also enclose proof of residence under s. 6.34 in the envelope. Proof except as authorized in s. 6.34 (2m), proof of residence is required if the elector is not a military elector or an overseas elector and the elector registered by mail or by electronic application and has not voted in an election in this state. If the elector requested a ballot by means of facsimile transmission or electronic mail under s. 6.86 (1) (ac), the elector shall enclose in the envelope a copy of the request which bears an original signature of the elector. The elector may receive assistance under sub. (5). The return envelope shall then be sealed. The witness may not be a candidate. The envelope shall be mailed by the elector, or delivered in person, to the municipal clerk issuing the ballot or ballots. If the envelope is mailed from a location outside the United States, the elector shall affix sufficient postage unless the ballot qualifies for delivery free of postage under federal law. Failure to return an unused ballot in a primary does not invalidate the ballot on which the elector’s votes are cast. Return of more than one marked ballot in a primary or return of a ballot prepared under s. 5.655 or a ballot used with an
electronic voting system in a primary which is marked for candidates of more than
one party invalidates all votes cast by the elector for candidates in the primary.

**SECTION 22.** 7.08 (1) (c) of the statutes is amended to read:

7.08 (1) (c) Prescribe forms required by ss. 6.24 (3) and (4), 6.30 (4) and (5), 6.33

shall contain a statement of the penalty applicable to false or fraudulent registration
or voting through use of the form. Forms are not required to be furnished by the
board.

of the elections division of the government accountability board to verify the accuracy
of the information provided for the purpose of voter registration.

department of revenue for the purposes of administering state taxes and collecting
debt, to the government accountability board, in electronic or digital format, for the
purposes specified in s. 6.30 (5), or to the person to whom the signature relates.
