October 11, 2011 – Introduced by COMMITTEE ON SENATE ORGANIZATION, by request of Governor Scott Walker, Senator Lassa, and Representative Clark. Referred to Committee on Economic Development and Veterans and Military Affairs.

AN ACT to create 238.14 of the statutes; relating to: entrepreneurial tax credit access grants.

Analysis by the Legislative Reference Bureau

Under current law, the Wisconsin Economic Development Corporation (WEDC) may certify a person to receive, or a person may otherwise qualify for, income and franchise tax credits based on the person’s expenditures in this state related to the person’s business. This bill directs WEDC to establish a grant program under which WEDC may award a grant to a person who wishes to secure financing to make expenditures that would qualify for such tax credits. A person is eligible to receive a grant if the expenditures are made for a business located in this state that has fewer than 25 employees in this state or less than $5,000,000 in gross receipts. No person may receive a grant unless the person has submitted business and financing plans to a commercial lending institution and submitted copies of the plans to WEDC. Before awarding a grant, WEDC must verify that the lender has approved the person’s plans and will underwrite a loan for expenditures, contingent on the person receiving a grant. Under the bill, a person who receives a grant to secure financing for making an expenditure that would qualify for a tax credit may not claim a credit for that expenditure.

For further information see the state fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:

(c) The corporation shall require, as a condition of the grant, that the recipient contribute to a project an amount that is not less than the amount the recipient receives as a grant under this section.

(4) A person who receives a grant under this section to secure financing for making an expenditure described under sub. (b) The corporation shall establish policies and procedures to administer this section.
