RE: Reporting under Section 301.03 (6m) Wisconsin Statutes

Dear Sirs and Madam:

The following information is provided for your consideration and review pursuant to §301.03(6m), Wisconsin Statutes. The figures below pertain to calendar year 2011.

a) There were one hundred and two Chapter 51 mental health commitments within the Department of Corrections. Of these, eighty-six were initial commitments and sixteen were extensions of commitments from previous years.

Ninety-eight of the one hundred and two commitments were obtained at the Wisconsin Resource Center (male inmates). Of these, eighty-five were initial commitments and thirteen were renewals of commitments from previous years.

Four of the one hundred and two commitments were obtained at Taycheedah Correctional Institution (female inmates). Of these, one was an initial commitment and three were recommitments from previous years.

After a Chapter 51 commitment, male inmates returned to the Wisconsin Resource Center (WRC) for further treatment. Average length of stay for WRC inmates was 315 days. One male inmate was transferred from WRC to Mendota Mental Health Institute on an involuntary basis.

After a chapter 51 initial commitment, females were transferred to Winnebago Mental Health Institute (WMHI). Average length of stay at WMHI for committed individuals was 45.8 days. For recommitments, females remained at TCI.

- b) The total number of inmates who were treated with psychotropic medication in 2011 was 8,290. This number includes inmates who were incarcerated for short-term stays as well as long-term stays. The number of inmates who were treated with psychotropic medication on any specific date is estimated at approximately 4,955. Of these, the number treated on an involuntary basis was the same as the number of involuntary commitments (one hundred and two). Major classes of medication included antidepressants, antipsychotics, and mood stabilizers.
- c) Mental Health Services are available at all of the major institutions. Services include crisis intervention, individual counseling, and group therapy. Specific programs include sex offender treatment, anger management, domestic violence, substance abuse treatment, and cognitive interventions. Psychiatrists are available at all major institutions to provide evaluations for psychotropic medication and management of these medications. In addition, consultation is available from both psychologists and psychiatrists to evaluate competency to consent to psychotropic medication and/or medical treatment.

If you have any questions or need any further information, please let me know.

Sincerely, Say H. Hambli

RE: Violent Prisoners under Section 301.03 (6r) Wisconsin Statutes

Dear Sirs and Madam:

As required under Section 301.03 (6r) of the Wisconsin State Statutes, I am submitting information relative to the number of prisoners that the Department of Corrections (DOC) considers violent and the total number of prisoners.

	Males		Females		Total	
	Prisoners	Violent Prisoners	Prisoners	Violent Prisoners	Prisoners	Violent Prisoners
12/31/2011	19,980	12,261	1,115	459	21,095	12,720

- 1. For the purposes of this report, the DOC has identified Wisconsin crimes (see attachment)
 - a) Defined as "violent" by the U.S. Department of Justice, Bureau of Justice Statistics¹. These crimes include murder, rape and sexual assault, robbery, and assault. The DOC has cross referenced these crime categories to equivalent Wisconsin statutes -- e.g., "homicide" is included with "murder".
 - b) Often involving a threat of or actual personal injury to another person -- e.g., neglecting a child, possession of a weapon, stalking, etc.

http://bjs.ojp.usdoj.gov/index.cfm?ty=tp&tid=31#terms_def

Page 2 Senator Darling and State Representative Vos

2. Total number of prisoners is defined as adult inmates assigned to a Type "1" prison in state and in contract facilities. This does not include offenders under supervision of the Division of Community Corrections held in a Division of Adult Institution facility as an Alternative to Revocation (ATR) or pending revocation.

Sincerely,

Gary Handlin, Secretary

WISCONSIN STATE SENATE

P. O. Box 7882 Madison, WI 53707-7882

February 9, 2012

Senator Van Wanggaard, Chair Labor, Public Safety, and Urban Affairs Committee 319 South, State Capitol

Dear Chairman Wanggaard,

We are writing to request that the Labor, Public Safety and Urban Affairs Committee hold a public hearing on the Department of Corrections lapse proposal. In particular, the proposal includes an additional \$4 million cut to youth aids this year, which is in addition to the \$20 million cut in the 2011/13 biennial budget. Because there will be no opportunity for public input when the proposal is considered by the Joint Committee on Finance, we ask that you provide counties and the public with the opportunity to discuss the consequences of this significant additional cut.

As you know, the community youth and family aids program provides each county with an annual allocation of state and federal funds from which a county may pay for juvenile delinquency related services, out-of-home placements and non-residential, community-based services for juveniles.

Any additional cuts to this aid will be felt directly by counties and they will impact our at risk youth. A hearing will give the committee an opportunity to learn how an additional forty percent cut will impact individual counties and evaluate the consequences of these cuts. The Department of Corrections can provide perspective on juvenile placement rates and the various programs around the state.

We encourage you to have a public hearing within the next couple of weeks to evaluate the lapse proposal for the Department of Corrections and the impact of additional cuts to youth aids. These cuts will put further pressure on local budgets that are already severely constrained. Once again, the burden is being pushed further onto our local governments, forcing them to pay more when they can least afford it.

Thank you for your consideration.

Sincerely.

Senator Bob Wirch 22nd Senate District

Senator Jessica King

8th Senate District
