

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRBa1221/1dn
MPG:eev:jm

November 15, 2013

Representative Knudson:

Please review this draft carefully to ensure that it is consistent with your intent.

Note that the presiding officer in the Assembly may find that this amendment is not germane to 2013 AB 503. AB 503, as noted in that bill's relating clause, relates to "cosmetologist training hours and exemption of makeup artists from barbering and cosmetology licensure requirements." This amendment relates to authorizing applicants for licensure as a barber, cosmetologist, aesthetist, manicurist, or electrologist to satisfy instruction requirements at schools accredited by an accrediting agency approved by DSPS or the Cosmetology Examining Board, as appropriate, in addition to schools licensed under subch. VI of ch. 440. I have amended the relating clause in the bill to reflect the inclusion of provisions relating to accredited schools.

Please let me know if you have any questions.

Thank you.
