Subject: Assembly Resolution

Steve,

This is a last minute resolution we were hoping to get drafted at the request of the Assembly Majority Leader's office. We are looking to get it on the calendar this Thursday. Attached is what we've written up for the resolution. If you have any questions, please feel free to give us a call. Thanks Steve.

Diabetes Day Assembly Resolution

Whereas, More than twenty-six million American children and adults, including more than 480,000 people living in Wisconsin, have diabetes, a serious disease that has no cure; and

Whereas, Another 79 million Americans have pre-diabetes, a condition that puts them at the highest risk for developing Type 2 Diabetes; and

Whereas, Diabetes is a disease in which the body does not produce or properly use insulin, a hormone that is needed to convert sugar, starches and other food into energy needed for daily life; and

Whereas, It is unclear what causes diabetes, but it is believed that genetics and behavioral factors, such as obesity and lack of exercise, appear to play roles; and

Whereas, Diabetes is the fifth-leading cause of death by disease in the United States; and

Whereas, More than one third of the people with diabetes, roughly seven million Americans, don't know they have the disease; and

Whereas, Through public awareness, the state of Wisconsin seeks to minimize the effects of diabetes among all Wisconsin citizens; now, therefore, be it

Resolved by the assembly, that the members of the Wisconsin legislature proclaim November 14th, 2013, to be Wisconsin Diabetes Day, to promote awareness of this disease that affects many throughout the state
