***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

JOINT LEGISLATIVE COUNCIL PREFATORY NOTE: This bill was prepared for the Joint Legislative Council's Special Committee on Reporting of Child Abuse and Child Neglect.

*Recodification of s. 48.981, stats.*

**SENATE BILL 18**

The bill makes the following changes to recodify s. 48.981, stats., the child abuse and neglect reporting law:

- Throughout s. 48.981, stats., reorganizes provisions to break large paragraphs into separate paragraphs, adds titles to various provisions, consolidates provisions with duplicative language, and updates language to clarify meaning.

- Amends the definition of “agency” to provide that, for purposes of performing the duties specified in certain provisions of s. 48.981, stats., “agency” includes a licensed child welfare agency under contract with a county department of human services or social services (county department) to perform investigations, in order to facilitate the use of the definition throughout the section.

- Renumbers definitions for “community placement,” “Indian unborn child,” and “member of the clergy” to place them in the single paragraphs in which they appear within the section.

- In s. 48.981 (2) (bm), stats., creates a definition of “abuse” by cross-reference so that the word “abuse” may be used throughout the paragraph without repeated references to its definition.

- In provisions authorizing any person to report suspected abuse or neglect of children and unborn children, removes the clause “including an attorney,” from the phrases “any person not otherwise specified, including an attorney,” and “any person, not including an attorney,” to reduce redundancy.

- Amends the authority for interviewing children in the absence of consent to account for a ruling of the U.S. Court of Appeals for the Seventh Circuit and other federal cases.

- Updates cross-references in s. 146.82 (2), stats., regarding the release of certain medical information, to account for a change in federal law.

*Persons Mandated to Report*

Current law requires certain professionals to report suspected abuse and neglect of children and unborn children. A person who is mandated to report must do so if he or she has reasonable cause to suspect that a child seen by the person in the course of professional duties has been abused or neglected or has reason to believe that a child seen by the person in the course of professional duties has been threatened with abuse or neglect and that abuse or neglect of the child will occur. Mandated reporters are subject to criminal penalties if they fail to report.

Under current law, all school employees are required to report suspected child abuse or neglect. In addition to generally requiring all school employees to report suspected abuse or neglect, current law also specifies that school teachers, school administrators, and school counselors are mandated reporters.

The bill makes the following changes to the categories of mandated reporters:

- Adds probation agents and parole agents to the list of professionals who are mandated to report suspected abuse or neglect.

- With respect to school personnel, amends the current requirement that all school employees report suspected abuse or neglect to apply the reporting requirement to school employees, volunteers, and contractors who work directly with children for at least 40 hours in a school year.

- Exempts from the obligation to report: 1) school board members; 2) children; and 3) students who have not yet graduated from high school.

- Deletes the provisions referring specifically to school teachers, administrators, and counselors because these professionals are covered under the provision requiring certain school employees, volunteers, and contractors to report.

- Adds to the list of persons required to report suspected child abuse or neglect employees, volunteers, and contractors of an institution of higher education, other than children, who have regular, ongoing contact with children, other than matriculated students, in a professional or primary setting.

*Training of Certain Mandated Reporters*

**SENATE BILL 18**

Under current law, the Department of Public Instruction is required to develop and conduct training programs for specified school employees who are mandated reporters of suspected child abuse and child neglect. Current law does not otherwise require training to be provided to mandated reporters, nor does it impose any training requirements on mandated reporters.

The bill creates a training requirement for certain mandated reporters who are required to report suspected child abuse and neglect because of their membership in a profession for which state licensure or certification is required, or for which employment, registration, appointment, or assignment is subject to statutory qualifications. Specifically, the bill requires the following professionals to complete an approved training course as a condition for their initial licensure, certification, employment, appointment, or assignment:

- Child care center licensees.
- Certain employees of child care centers, group homes, and residential care centers for children and youth.
- Teachers.
- School administrators and school district administrators.
- Law enforcement officers.
- Emergency medical technicians.
- First responders.
- Substance abuse counselors.
- Registered nurses.
- Chiropractors.
- Dentists.
- Physicians.
- Physician assistants.
- Physical therapists.
- Physical therapist assistants.
- Dietitians.
- Occupational therapists.
- Optometrists.
- Acupuncturists.
- Psychologists.
- Private practice school psychologists.
- Social workers.
- Marriage and family therapists.
- Professional counselors.
- Speech–language pathologists.
- Audiologists.
- Family court mediators.
- Probation and parole officers.

The bill requires the Department of Children and Families (DCF) to approve training courses for mandated reporters and directs DCF to promulgate rules setting forth the criteria required for such training courses. The bill authorizes DCF to approve training courses provided by individuals, organizations, or institutions of higher education. In addition, the bill requires the rules promulgated by DCF to specify the required content of an approved training course and the qualifications required for the providers of such training.

With the exception of the rule–making requirements, the training requirements take effect on the first day of 3rd year beginning after publication.

*Definitions of “Physical Injury” and “Neglect”*

In the Children’s Code, “abuse” is defined to mean one of several specified activities, including “physical injury inflicted on a child by other than accidental means.” The term “physical injury” is further defined to mean lacerations, fractured bones, burns,

**SENATE BILL 18**

internal injuries, severe or frequent bruising, or great bodily harm, as defined in the Criminal Code.

For purposes of mandated *reporting* of child abuse, the bill removes the words “severe or frequent” from the phrase “severe or frequent bruising” within the definition of “physical injury.” For purposes of *investigating* a report of child abuse, however, the bill does not remove those words from that phrase.

In the Children’s Code, “neglect” is defined to mean the failure, refusal, or inability on the part of a caregiver, for reasons other than poverty, to provide necessary care, food, clothing, medical or dental care, or shelter so as to seriously endanger the physical health of a child.

For purposes of mandated *reporting* of child neglect, the bill removes the phrase “for reasons other than poverty” from the definition of “neglect.” For purposes of *investigating* a report of child neglect, however, the bill does not remove that phrase from that definition.

*Tribal Notification Requirements*

Under current law, a county that has a federally recognized Indian reservation or a Bureau of Indian Affairs (BIA) service area for the Ho–Chunk Nation wholly or partially within its boundaries must notify a tribal agent when it receives a report of suspected child abuse or neglect and it knows or has reason to know the child is an Indian child or an Indian unborn child. If the county knows which Indian tribe the child is affiliated with or with which Indian tribe the unborn child may, when born, be eligible for affiliation, it must notify the tribal agent of that tribe. If the county does not know the tribal affiliation of the child or unborn child, it must notify the tribal agent serving the reservation or Ho–Chunk service area where the child or expectant mother resides. If the county does not know the child or unborn child’s tribal affiliation and the child or the unborn child’s expectant mother does not live on a reservation or in a Ho–Chunk service area, the county must notify any tribal agent serving a reservation or Ho–Chunk service area in the county. A county that does not have a federally recognized Indian reservation or a BIA service area for the Ho–Chunk Nation within its boundaries is not required, under current law, to notify a tribe that it received a report of suspected child abuse or neglect pertaining to a child it knows or has reason to know is an Indian child or Indian unborn child.

The bill makes the following changes to the requirement that a county department notify a tribal agent when it receives a report of suspected child abuse or neglect pertaining to a child or unborn child whom the county department knows or has reason to know is an Indian child or is an Indian unborn child:

- Applies the notification requirement to child protective agencies in all counties of the state.
- Eliminates the requirement that an agency notify a tribal agent when the agency does not know the tribe with which the child is affiliated or the tribe with which the unborn child may, when born, be eligible for affiliation.
- Eliminates restrictions on the type of information that an agency may provide to a tribal agent, and specifies that additional information may be provided as allowed by law.
- Specifies that notice to a tribe of a report of suspected child abuse or neglect does not constitute notice for any other purpose.

1           **SECTION 1.** 48.236 (4) (a) of the statutes is amended to read:

2           48.236 (4) (a) Inspect any reports and records relating to the child who is the  
3           subject of the proceeding, the child’s family, and any other person residing in the  
4           same home as the child that are relevant to the subject matter of the proceeding,

**SENATE BILL 18**

1 including records discoverable under s. 48.293, examination reports under s. 48.295  
2 (2), law enforcement reports and records under ss. 48.396 (1) and 938.396 (1) (a),  
3 court records under ss. 48.396 (2) (a) and 938.396 (2), social welfare agency records  
4 under ss. 48.78 (2) (a) and 938.78 (2) (a), abuse and neglect reports and records under  
5 s. 48.981 (7) (a) ~~11r. (7d) (Lr)~~, and pupil records under s. 118.125 (2) (L). The order  
6 shall also require the custodian of any report or record specified in this paragraph  
7 to permit the court-appointed special advocate to inspect the report or record on  
8 presentation by the court-appointed special advocate of a copy of the order. A  
9 court-appointed special advocate that obtains access to a report or record described  
10 in this paragraph shall keep the information contained in the report or record  
11 confidential and may disclose that information only to the court. If a  
12 court-appointed special advocate discloses any information to the court under this  
13 paragraph, the court-appointed special advocate shall also disclose that information  
14 to all parties to the proceeding. If a court-appointed special advocate discloses  
15 information in violation of the confidentiality requirement specified in this  
16 paragraph, the court-appointed special advocate is liable to any person damaged as  
17 a result of that disclosure for such damages as may be proved and, notwithstanding  
18 s. 814.04 (1), for such costs and reasonable actual attorney fees as may be incurred  
19 by the person damaged.

20 **SECTION 2.** 48.24 (5) of the statutes is amended to read:

21 48.24 (5) The intake worker shall request that a petition be filed, enter into an  
22 informal disposition, or close the case within 60 days after receipt of referral  
23 information. If the referral information is a report received by a county department  
24 or, in a county having a population of 500,000 or more, the department or a licensed  
25 child welfare agency under contract with the department under s. 48.981 (3) (a) ~~1,~~

**SENATE BILL 18**

1 ~~2., or 2d., (bg), or (bp)~~ that 60-day period shall begin on the day on which the report  
2 is received by the county department, department, or licensed child welfare agency.  
3 If the case is closed or an informal disposition is entered into, the district attorney,  
4 corporation counsel, or other official under s. 48.09 shall receive written notice of that  
5 action. If a law enforcement officer has made a recommendation concerning the  
6 child, or the unborn child and the expectant mother of the unborn child, the intake  
7 worker shall forward this recommendation to the district attorney, corporation  
8 counsel, or other official under s. 48.09. If a petition is filed, the petition may include  
9 information received more than 60 days before filing the petition to establish a  
10 condition or pattern which, together with information received within the 60-day  
11 period, provides a basis for conferring jurisdiction on the court. The court shall grant  
12 appropriate relief as provided in s. 48.315 (3) with respect to any petition that is not  
13 referred or filed within the time periods specified in this subsection. Failure to object  
14 to the fact that a petition is not requested within the time period specified in this  
15 subsection waives any challenge to the court's competency to act on the petition.

16 **SECTION 3.** 48.47 (9) of the statutes is created to read:

17 48.47 (9) TRAINING FOR REPORTERS OF CHILD ABUSE AND NEGLECT. Approve  
18 training courses provided by individuals, organizations, or institutions of higher  
19 education for persons for whom the completion of a training course, as described in  
20 s. 48.981 (2s), is required as a condition of licensure, certification, employment,  
21 appointment, or assignment.

NOTE: Adds the approval of training courses for mandated reporters to DCF's  
duties.

22 **SECTION 4.** 48.67 (2m) of the statutes is created to read:

**SENATE BILL 18**

1           48.67 **(2m)** (a) That all child care center licensees and all employees of a child  
2 care center who provide care and supervision for children complete a training course  
3 approved under s. 48.47 (9) before the date on which an initial license is issued or the  
4 employment commences, whichever is applicable.

5           (b) That all staff members of a group home who provide care for children in the  
6 group home complete a training course approved under s. 48.47 (9) prior to  
7 employment in the group home.

8           (c) That all staff members of a residential care center for children and youth  
9 who provide care and supervision for children complete a training course approved  
10 under s. 48.47 (9) prior to employment in the residential care center.

NOTE: Requires DCF rules to require licensees and employees of child care centers who provide care and supervision for children; employees of group homes who provide care for children; and employees of residential care centers for children and youth who provide care and supervision for children to complete an approved mandated reporter training course prior to the date on which the license is issued or the employment begins.

11           **SECTION 5.** 48.685 (4m) (a) 4. of the statutes is amended to read:

12           48.685 **(4m)** (a) 4. That a determination has been made under s. 48.981 ~~(3)(e)~~  
13 4. (3g)(d) that the person has abused or neglected a child.

14           **SECTION 6.** 48.685 (4m) (b) 4. of the statutes is amended to read:

15           48.685 **(4m)** (b) 4. That a determination has been made under s. 48.981 ~~(3)(e)~~  
16 4. (3g)(d) that the person has abused or neglected a child.

17           **SECTION 7.** 48.981 (1) (ag) of the statutes is amended to read:

18           48.981 **(1)** (ag) “Agency” means a county department, the department in a  
19 county having a population of 500,000 or more, or a licensed child welfare agency  
20 under contract with ~~a county department or~~ the department in a county having a  
21 population of 500,000 or more to perform investigations under this section. For  
22 purposes of performing the duties specified in subs. (3g) (a), (b) 2., (bm) 2., (f), (fm),

**SENATE BILL 18**

1 and (h) 1., 2., and 3. and for purposes of confidentiality of reports and records under  
2 sub. (7) to (7m), “agency” also includes a licensed child welfare agency under contract  
3 with a county department to perform investigations under this section.

NOTE: Amends the definition of “agency” to include child welfare agencies under contract with county departments only for purposes of specified provisions to enable the use of the definition throughout s. 48.981, stats.

Heck*, 327 F.3d 492 (2003), that raises constitutional concerns regarding interviews conducted absent consent.
