ATTN: Tim Fiocchi

Please review the attached draft carefully to ensure that it is consistent with your intent.

I do not believe the change in item 3. is necessary. I believe that the language “the amounts in the schedule for the local freight bridge program under s. 84.182” sufficiently authorizes expenditures for administering the program.

It may be desirable to terminate the program at the end of a fiscal year or fiscal biennium, perhaps June 30, 2018, instead of approximately five years from the effective date.

Please let me know if you would like any changes made to the attached amendment or if you have any questions. If the attached amendment meets with your approval, let me know and I will convert it to an introducible “/1” amendment.
