2013 BILL

Regen

1 AN ACT *to amend* 101.861 of the statutes; and *to affect* 2007 Wisconsin Act 63,
2 section 44 (1); **relating to:** the effective date for licensing and registration
3 requirements for electricians and electrical contractors.

Analysis by the Legislative Reference Bureau

Under statutory provisions that will become law on April 1, 2013, a person may not work as a master, journeyman, beginning, or apprentice electrician or as an electrical contractor unless the person is licensed or registered with the Department of Safety and Professional Services. This law, and rules promulgated pursuant to this law, impose various experience, training, examination, and other requirements on applicants for these licenses, depending on the type of license being issued. This bill changes the effective date of these statutory provisions to April 1, 2014.

For further information see the **state** fiscal estimate, which will be printed as an appendix to this bill.

The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:
