

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1687/1dn
PG:kjf:jf

February 21, 2013

Jason,

If this bill becomes law after January 1, 2014, there could be an issue regarding whether the intent was to apply the bill retroactively to January 1, 2014. Therefore, you may wish to consider delaying the effective date until after the end of the session (for example, July 1, 2014) or until a specified period has elapsed since passage (for example, the first day of the third month beginning after publication).
