Subject: Sen. Lehman amendment requests (2) - SSA 3- SB 76 & SB 375

Hi Fern. Sen. Lehman has two final amendment requests for Wednesday.

First, for SSA3 to SB 76, could Sen. Lehman also have an amendment drafted to the language at line 8 of p 2 or appropriate location to specify that the Department of Public Instruction would determine whether a charter seeking to replicate had met the 10% outperformance standard for "proven track record of success"

He also has an amendment request for SB 375 But I am getting more information on that and will write soon. The amendment would cross-reference 118.29 (6) so that training requirement applies to public schools
