

2013 SENATE BILL 112

March 28, 2013 – Introduced by Senators MOULTON, LASEE, SCHULTZ, TIFFANY and VINEHOUT, cosponsored by Representatives JACQUE, KERKMAN, BERNIER, BIES, BROOKS, KESTELL, LOUDENBECK, RIPP, SWEARINGEN, TITTL and VRUWINK. Referred to Committee on Economic Development and Local Government.

1 **AN ACT** *to repeal* 59.69 (3) (b) of the statutes; **relating to:** changing the elements
2 that must be included in a county development plan.

Analysis by the Legislative Reference Bureau

Under current law, a county may create a county zoning agency, which is a policy-making body in the county that determines the broad outlines and principles governing the county's administrative zoning powers. The county agency may direct the preparation of a county development plan. Currently, if a county creates a development plan, the plan must include a master plan adopted by a city or village. If one exists, it must also include, without changes, the city's or village's official map.

This bill repeals the requirement that a city's or village's master plan must be included in a county development plan and also repeals the requirement that any official map be included without changes.
