

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-1047/P1dn
JK:kjf:rs

January 8, 2013

Senator Liebham:

Please review this draft carefully to ensure that it is consistent with your intent. In an effort to further narrow the classification, you may wish to consider elaborating on what the cheese aging process entails. That may make the provision easier for DOR to administer and help prevent any unintended consequence resulting from DOR's interpretation of the proposal.
