November 30, 2012

ATTN: Sen. Sheila Harsdorf

Please review the attached draft carefully to ensure that it is consistent with your intent. Specifically, this bill eliminates the special rule for payment of medical examiners and medical examiner's assistants contained in s. 59.38 (1), stats. Thus, under this bill, medical examiners and medical examiner's assistants will be governed by the general rule regarding payment of county officials and employees contained in s. 59.52 (10), stats.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible "/1" draft.
