Subject: Drafting request

Hi Mike,

I'm submitting the following drafting request on behalf of Senator Cowles and Representative Kerkman. As we discussed, there is some urgency regarding this request. The requesters would like identical preliminary drafts of Senate and Assembly bills that do all of the following:

- Amend s. 13.94 (1) (dr), Stats., to require the LAB to conduct an annual financial audit of WEDC, but sunset the annual financial audit requirement after six years. Retain the biennial program evaluation audit requirement, and reinstate the biennial financial audit requirement after the six-year sunset date.
- Amend s. 16.70 (2), Stats., to include a body created under ch. 238 in the definition of "authority" in the context of state procurement laws.
- Amend s. 19.42 (10) (sm), Stats., to specify that all WEDC board members and employees, except clerical employees, are officials required to file statements of economic interests. (As a model, see s. 19.42 (10) (h), Stats., governing the filing obligations of WHEDA members and employees.)
- Amend s. 19.42 (13) (om), Stats., to make all WEDC board members and employees public officials for purposes of state ethics laws.
- Amend s. 238.02 (1), Stats., to specify that WEDC Board members (other than the ex-officio members) shall be appointed for six-year terms, and include a non-statutory provision specifying staggered term lengths for existing board members based on the order in which the members were appointed.
- Amend s. 238.02 (1), Stats., to provide that the WEDC Board shall have a vice chair who is chosen by the board and serve as vice chair for a two-year term. Require the vice chair to be a public member who has significant corporate management experience. Specify that the vice chair of the board shall have a role similar to a lead director of an entity incorporated under ch. 180 and shall do all of the following: chair meetings of the board in the chair's absence; chair the governance committee; serve as a liaison between board members and the board chair; work with the board chair to ensure adequate committee structure; and carry out other duties, as required by the governance committee and the board. Provide that the WEDC Board shall have a governance committee comprised of the vice chair and two other public members chosen by the board. Specify that the governance committee shall do all of the following: develop governance principles for the board's oversight of the corporation; oversee the Board's performance; recommend membership for board committees; assist the board chair in identifying qualified candidates for vacant board positions; and facilitate communication between board members and the corporation's CEO.
- Amend s. 238.03, Stats., to require that the CEO of WEDC submit a plan detailing the specific provisions of any proposal to create any nonprofit foundation or corporation to the Joint Committee on Finance for approval under a 14-day passive review process.
- Amend s. 238.07 (2), Stats., to include in the annual report the items eliminated from the Act 125 reports under 2011 Wisconsin Act 7, namely:
 - Quantifiable performance measures directly related to the purpose of the program including, when applicable, an accounting of the location, by municipality, of each job created or retained in the state in the previous fiscal year as a result of the program and an accounting of the industry classification, by municipality, of each job created or retained in the state in the previous fiscal year as a result of the program.
 - The amount of tax benefits allocated and verified under the program in the previous fiscal year.
 - The recipients of tax benefits allocated and verified under the program in the previous fiscal year.

- Also amend s. 238.07 (2), Stats., to include in the annual report the number of businesses receiving grants, loans, and tax credits that fulfilled their contractual reporting obligations required under s. 238.03 (2) (c), Stats., during the reporting period and a list of businesses that failed to fulfill contractual reporting obligations during the reporting period.

Please include me on the list of people who should receive a copy of the p-draft.

Thanks very much, and let me know if you have questions.

PRELIMINARY DRAFT - NOT READY FOR INTRODUCTION

D-Note

1 *gen act*
AN ACT *relating to:* board of directors, powers and duties, including reporting
2 requirements, and financial audits of the Wisconsin Economic Development
3 Corporation.

Analysis by the Legislative Reference Bureau

This bill makes a number of changes to the laws governing the Wisconsin Economic Development Corporation (WEDC), including the following:

1. WEDC administers, develops, and implements economic development programs that have the purpose of encouraging the establishment and growth of businesses in this state. Each year, WEDC submits a report by October 1 to the Joint Legislative Audit Committee and each house of the legislature that provides information about the progress of WEDC's economic development programs during the previous fiscal year. That report must contain a description of each program, a comparison of expected and actual program outcomes, the number of grants or loans made under each program, the amount of each grant or loan, the recipient of each grant or loan, the sum total of all grants and loans awarded by WEDC under an economic development program, and any recommended changes to each program.

The bill requires WEDC to include all of the following additional information in its annual report:

a. Quantifiable performance measures directly related to the purpose of each economic development program, including an accounting of the location and industry classification, by municipality, of each job created or retained in the state in the previous fiscal year as a result of the program.

b. The amount of tax benefits that WEDC allocated, or verified to the Department of Revenue (DOR), under each program in the previous fiscal year.

c. An identification of each recipient of a tax benefit that WEDC allocated, or verified to DOR, during the previous fiscal year.

d. The total number of recipients of a grant, loan, or tax benefit that satisfied the certain reporting obligations to WEDC and a list identifying each recipient of a grant, loan, or tax benefit that failed to satisfy those obligations.

2. Currently, the board of directors of WEDC includes six members who are nominated by the governor and appointed with the advice and consent of the senate and who serve at the pleasure of the governor; three members appointed by the speaker of the assembly, consisting of one majority and one minority party representative to the assembly and one person employed in the private sector; and three members appointed by the senate majority leader, consisting of one majority and one minority party senator and one person employed in the private sector.

Under the bill, the members of the board nominated by the governor no longer serve at the pleasure of the governor but serve six-year, staggered terms. In addition, the members of the board employed in the private sector and appointed by the speaker of the assembly and senate majority leader no longer serve at the pleasure of the speaker or majority leader but serve six-year terms.

3. Under current law, the governor serves as the chairperson of WEDC's board. Under the bill, the board must also elect one of its public members to serve as the board's lead director for a two-year term. The lead director must have significant corporate management experience. Under the bill, the lead director is to chair meetings of the board in the chairperson's absence, chair the governance committee, described below, serve as a liaison between the chairperson and the other board members, work with the chairperson to ensure adequate committee structure for any committees the board establishes, and carry out other duties as assigned by the board or the governance committee.

4. The bill further requires WEDC's board to establish a governance committee. In addition to the lead director, who serves as chair of the governance committee, the governance committee must include two of the board's public members. The bill directs the governance committee to develop principles for the board's oversight of WEDC, oversee the board's operations, recommend membership for committees the board establishes, assist the chairperson to identify qualified candidates to fill vacancies on the board, and facilitate communication between the members of the board and the chief executive officer of WEDC.

5. Under current law, the Legislative Audit Bureau is required to conduct a financial audit of WEDC every two years and a program evaluation audit of the economic development programs administered by WEDC every two years. The bill requires that the financial audit be conducted annually until June 30, 2019, after which point, the financial audit reverts to being conducted every two years.

6. In addition to other powers specifically enumerated in the statutes, current law grants WEDC all the powers necessary or convenient to carry out its purposes. The bill limits WEDC's power to establish a nonprofit organization by requiring WEDC to submit any plan to establish a nonprofit organization to the Joint Committee on Finance under passive review.

7. Under current law, with certain exceptions, the Department of Administration (DOA) must purchase, or may delegate the authority to purchase, all necessary materials, supplies, equipment, all other permanent personal property and miscellaneous capital, and contractual services for all agencies. DOA, or its delegated agents, may contract for services that can be performed more economically or efficiently by contract. With exceptions, DOA must award orders and contracts to the lowest responsible bidders or most competitive proposal. If the estimated cost of an expenditure exceeds \$50,000, DOA must solicit bids or competitive sealed proposals. This bill adds WEDC to the definition of agency for purposes of state procurement so that WEDC is subject to the same laws regulating agency purchasing.

Senator Cowles:

Please review this draft carefully to ensure that it is consistent with your intent.

Please note that the requirement, under s. 238.07 (2) (gm) in the draft, that WEDC include information in its annual report showing compliance, or lack thereof, with the reporting requirements under s. 238.03 (2) (c), stats., by recipients of grants, loans, and tax benefits under WEDC's economic development programs necessitated changes to s. 238.03 (2) (c) and (e), stats. In particular, the draft amends s. 238.03 (2) (c) and (e), stats., to include a reference to tax benefits. Under current law, those provisions only require reports from the recipients of grants and loans, not the recipients of tax benefits. Please let me know if you want to handle that differently.

Also, as requested, I tried to incorporate as much as possible the language from the drafting instructions concerning the lead director position and the governance committee, both of which are created in the draft. Please review those portions of the draft carefully to ensure that the language the draft uses is consistent with your intent.

Please do not hesitate to contact me with any questions.

Thank you.
