I'm pretty sure their office is in the process of introducing it, so I would just draft the amendment.

Hi Liz and Tim,

I'll make LRBa0695 a /1 then.

As for the senate bill, it looks like it has not yet been introduced. Should I wait for it to be introduced and then draft an amendment, or should I redraft LRB-2209/1 to make this change?

Thanks. Aaron

This looks good. Can it also be drafted for the senate version of the bill?
