1 **AN ACT to amend** 5.052 (3) (a) to (e) of the statutes; **relating to:** nominees
2 submitted by the Government Accountability Board candidate committee.

Analysis by the Legislative Reference Bureau

Under current law, the governor appoints members of the Government Accountability Board (board) from nominations submitted by the board's candidate committee. Current law requires the candidate committee to submit at least two nominations to fill one vacancy on the board, three nominations to fill two vacancies, five nominations to fill three vacancies, six nominations to fill four vacancies, and seven nominations to fill five vacancies on the board. This bill doubles the number of nominations the candidate committee must submit to the governor.
