ATTN: Kelley Flury

Please review the attached draft carefully to ensure that it is consistent with your intent.

As we discussed, this draft eliminates the penalty under s. 347.50 (by removing this violation from the range of s. 347.35 to 347.49 specified in s. 347.50 (1)), but if a violation were found, a penalty could still be imposed under s. 939.61 (1).

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible “/1” draft.
