

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0413/P4dn
PG:eev:jm

April 30, 2013

Alex,

This redraft makes two changes. First, it broadens coverage of the bill so that it applies to private schools as well as public schools. Second, it clarifies that the prohibition against questioning pupils applies to the pupils attending the school. If you have questions or would like changes to the draft, please let me know.
