In either year. Does that language work?

Question for you: Neither of the provisions applies if the district's fund 80 levy exceeds \$1,000,000 *in which year?*

Hi Peter,

Thank you for sending that over. I received a spreadsheet from DPI on Friday that requires I get one more amendment. Essentially I need to add a clause to say neither of the provisions applies to any district where their total fund 80 levy exceeds \$1,000,000. Give me a call with any questions.

Thanks again,

Tim

Tim, I can do the amendments to the LRB numbers. I just have to make sure I know which is the Assembly version and which is the Senate. Is LRB-3082 the Assembly version and LRB-3200 the Senate?

Hi Peter,

Sorry for all the rush and back and forth on this. I need to get an amendment drafted to take the language back to June 1, 2013. The idea in going to July 1 was that that was when the budget took effect. The June date reflects when it was debated by Joint Finance, and it's believed that's more desirable.

We will need to get both Senate and Assembly amendments – I'll get you a Senate bill number ASAP.

Thank you,

Tim
