1 AN ACT *to repeal* 20.445 (1) (fw), 102.07 (19), 108.02 (12) (dp), 108.02 (26) (c) 17.,  
 2 108.04 (8) (dm) and 108.04 (16m); *to amend* 102.11 (1) (c), 102.11 (1) (c), 108.04  
 3 (2) (a) (intro.), 108.04 (2) (a) (intro.), 108.04 (2) (a) 3. (intro.), 108.04 (2) (a) 3.  
 4 (intro.), 108.04 (2) (bm) and 108.04 (2) (bm); and *to create* 20.445 (1) (fw),  
 5 102.07 (19), 108.02 (12) (dp), 108.02 (26) (c) 17., 108.04 (8) (dm) and 108.04  
 6 (16m) of the statutes; **relating to:** participation in certain training by  
 7 unemployment insurance claimants, granting rule-making authority, and  
 8 making an appropriation.

***Analysis by the Legislative Reference Bureau***

Currently, unemployment insurance (UI) benefits may not be denied to an otherwise eligible individual because the individual is enrolled in a vocational training course or a basic education course that is a prerequisite to such training ("approved training") under certain conditions. A claimant who is enrolled in approved training is not subject to certain benefit denials or reductions that would otherwise preclude the claimant from claiming UI benefits while enrolled in approved training.

This bill creates a pilot program of special occupational training that is not approved training. The bill directs the Department of Workforce Development

(DWD) to designate three areas served by local workforce development boards in which the program shall be offered. Under the bill, DWD must offer the program throughout each designated area. Under the bill, the training consists of voluntary placements of UI claimants of up to six weeks for periods of not more than 40 hours per week with employers who elect to offer the training directly. A trainee may not be an employee of the employer offering the training. The bill directs DWD to accept applications from employers who wish to offer the training and to place claimants who wish to participate in available openings. On the application, an employer must affirm that it currently has one job opening for each training participant that it seeks in a position that a successful participant would potentially qualify to fill. Under the bill, no claimant may receive more than two placements during a benefit year (period during which benefits are payable). In addition, no claimant may receive a placement for any week beginning after the end of the first 26 weeks of the claimant's benefit year. The bill provides that a claimant who receives special occupational training is not disqualified from receiving UI benefits solely as a result of participating in the training. The bill requires each claimant to maintain eligibility for UI benefits while receiving special occupational training, except that a claimant is exempt from the requirements under the UI law to register for work and search for work for each week the claimant receives at least 24 hours of occupational training under the program and is not required to accept other suitable work under the UI law if there is a reasonable expectation that the claimant will receive a job offer from the employer providing the training. Under the bill, a claimant who participates in special occupational training receives a stipend of \$75 from DWD for each week in which the claimant participates in the training. The bill appropriates general purpose revenue to make the payments. The bill also provides that a claimant who is participating in special occupational training is considered an employee of the employer providing the training for purposes of worker's compensation benefits.

The program created by the bill sunsets two years after the bill's effective date. The bill directs DWD to report to the legislature and the governor no later than 22 months after the bill's effective date concerning the effectiveness of the program and DWD's recommendations for extension of the program or changes to the program to enhance its effectiveness.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

15 directly by an employer to a claimant who is not employed by the employer.

16 (b) The department shall administer a pilot program to offer special  
17 occupational training for claimants who wish to participate in areas of this state  
18 designated by the department served by 3 local workforce development boards under  
19 29 USC 2832. The department shall offer the program within the entire area served  
20 by each designated local workforce development board.

21 (c) The department shall accept applications from employers to offer special  
22 occupational training to claimants and shall offer claimants the opportunity to  
23 receive placements to receive the training. On the application, an employer shall  
24 affirm that it has one job opening, as of the date of the application, for each training  
25 participant that it seeks in a position that a successful participant would potentially

1 qualify to fill. If the department finds that an employer providing placements under  
2 this subsection has not hired a reasonable percentage of qualified trainees, the  
3 department may decline to accept further applications for placements from that  
4 employer.

5 (d) The department shall place claimants who apply to receive special  
6 occupational training with employers who offer placements. The department may  
7 only place a claimant to receive special occupational training during a claimant's  
8 benefit year.

9 (e) Each placement shall be for a period not exceeding 6 weeks. A claimant may  
10 participate in special occupational training for not more than 40 hours per week  
11 during a placement. No claimant may receive more than 2 placements during his or  
12 her benefit year. No claimant may receive a placement for any period that includes  
13 a week beginning after the end of the first 26 weeks of the claimant's benefit year.

14 (f) A claimant who participates in special occupational training is not  
15 disqualified from receiving benefits solely on account of receiving the training. The  
16 department may suspend a claimant's obligation to be available for work during  
17 those hours in which the claimant participates in special occupational training but  
18 the claimant shall maintain his or her availability for work during other hours of the  
19 work week. Except as authorized in this subsection and sub. (8) (dm), a claimant  
20 shall maintain his or her eligibility for benefits during the placement and shall  
21 terminate a placement if necessary to accept any work that the claimant is required  
22 to accept in order to maintain continuous eligibility for benefits.

23 (fm) The department shall waive the requirements for registration for work  
24 under sub. (2) (a) 2. and search for work under sub. (2) (a) 3. for each week that a

1 claimant is participating in special occupational training under this subsection for  
2 24 hours or more.

3 (g) The department shall pay a stipend of \$75 per week to each claimant who  
4 participates in special occupational training unless the claimant declines the stipend  
5 for the entire period of a placement by notifying the department in writing of the  
6 declination. The department shall make the payments from the appropriation under  
7 s. 20.445 (1) (fw).

8 (i) The department shall issue a training certificate to each claimant upon  
9 successful completion of each special occupational training placement. The  
10 certificate shall describe the skills in which the claimant received training.

11 (j) The department may promulgate rules required to implement this section.

12 **SECTION 20.** 108.04 (16m) of the statutes, as created by 2013 Wisconsin Act ...

16 (16m) (b) of the statutes, as created by this act, initially designate the areas of this  
17 state served by local workforce development boards under 29 USC 2832 that the  
18 department of workforce development designated under section 108.04 (16m) (b),  
19 2011 stats.

20 (2) No later than 22 months after the first Sunday after publication, the  
21 department of workforce development shall submit a report to the legislature, in the  
22 manner provided under section 13.172 (2) of the statutes, and to the governor
