Description Grants for crisis intervention team training and making an appropriation					

Assumptions Used in Arriving at Fiscal Estimate

This bill creates a new biennial appropriation to fund grants for mental health crisis intervention team training. It directs the Department to award the grants for training for law enforcement agencies and correctional officers. The bill appropriates \$125,000 per year for the grants.

The bill will create workload for the Department. It will need to establish an application process, review grant applications, make award decisions, issue contracts, distribute funds, and conduct contract oversight and fiscal control functions. It is assumed that grants would be awarded to multiple entities. It is estimated that a 0.6 FTE GPR contract specialist would be needed to perform these functions, at an annual cost of \$35,100 GPR and one time costs of \$2,500.

Including funds appropriated for the grants, the total annual fiscal effect of the bill is \$160,100 GPR.

The bill will have no fiscal effect on county human service agencies.
