25 readily accessible location in the same building as the polling place serving the

1 elector's residence or at an alternate polling place assigned under s. 5.25 (5) (b),

17 clerk, or deputy has accepted the form. Upon proper completion of registration, the
18 municipal clerk, deputy clerk, or special registration deputy shall serially number
19 the registration and give one copy to the person for presentation at the polling place
20 serving the person's residence or an alternate polling place assigned under s. 5.25 (5)
21 (b).

22 **SECTION 11.** 6.79 (2) (d) of the statutes is amended to read:

23 6.79 (2) (d) If the poll list indicates that proof of residence under s. 6.34 is
24 required and the document provided by the elector under par. (a) does not constitute
25 proof of residence under s. 6.34, the officials shall require the elector to provide proof

1 of residence. If proof of residence is provided, the officials shall enter both the type
2 of identifying document submitted as proof of residence and the name of the entity
3 or institution that issued the identifying document in the space provided on the
4 registration form poll list and shall verify that the name and address on the
5 identification ~~identifying document submitted as proof of residence provided~~ is the
6 same as the name and address shown on the registration list. If proof of residence
7 is required and not provided, or if the elector does not present proof of identification
8 under par. (a), whenever required, the officials shall offer the opportunity for the
9 elector to vote under s. 6.97.

10 **SECTION 12.** 6.79 (4) of the statutes is amended to read:

11 6.79 (4) SUPPLEMENTAL INFORMATION. When any elector provides proof of
12 residence under s. 6.15, 6.29 or 6.55 (2), the election officials shall enter both the type
13 of identifying document provided and the name of the entity or institution that
14 issued the identifying document on the poll list, or separate list maintained under
15 sub. (2) (c). ~~If the document submitted as proof of identity or residence includes a~~
16 ~~number which applies only to the individual holding that document, the election~~
17 ~~officials shall also enter that number on the list.~~ When any person offering to vote
18 has been challenged and taken the oath, following the person's name on the poll list,
19 the officials shall enter the word "Sworn".

20 **SECTION 13.** 6.82 (1) (a) of the statutes is amended to read:

21 6.82 (1) (a) When any inspectors are informed that an eligible elector is at the
22 entrance to the polling place who as a result of disability is unable to enter the polling
23 place, they shall permit the elector to be assisted in marking a ballot by any
24 individual selected by the elector, except the elector's employer or an agent of that
25 employer or an officer or agent of a labor organization which represents the elector.

1 Except as authorized in s. 6.79 (6) and (7), the individual selected by the elector shall
2 present to the inspectors proof of identification and, if the proof of identification does
3 not constitute proof of residence under s. 6.34, shall also provide proof of residence
4 under s. 6.34 for the assisted elector, ~~whenever required,~~ and all other information
5 necessary for the elector to obtain a ballot under s. 6.79 (2). The inspectors shall
6 verify that the name on the proof of identification presented by the person assisting
7 the elector conforms to the elector’s name on the poll list or separate list ~~and,~~ shall
8 verify that any photograph appearing on that document reasonably resembles the
9 elector, and shall enter both the type of identifying document submitted by the
10 assisted elector as proof of residence and the name of the entity or institution that
11 issued the identifying document in the space provided on the poll list or separate list.

12 The inspectors shall then issue a ballot to the individual selected by the elector and
13 shall accompany the individual to the polling place entrance where the assistance
14 is to be given. If the ballot is a paper ballot, the assisting individual shall fold the
15 ballot after the ballot is marked by the assisting individual. The assisting individual
16 shall then immediately take the ballot into the polling place and give the ballot to an
17 inspector. The inspector shall distinctly announce that he or she has “a ballot offered
18 by (stating person’s name), an elector who, as a result of disability, is unable to
19 enter the polling place without assistance”. The inspector shall then ask, “Does
20 anyone object to the reception of this ballot?” If no objection is made, the inspectors
21 shall record the elector’s name under s. 6.79 and deposit the ballot in the ballot box,
22 and shall make a notation on the poll list: “Ballot received at poll entrance”.

23 **SECTION 14.** 6.88 (3) (a) of the statutes is amended to read:

24 6.88 (3) (a) Except in municipalities where absentee ballots are canvassed
25 under s. 7.52, at any time between the opening and closing of the polls on election day,

1 the inspectors shall, in the same room where votes are being cast, in such a manner
2 that members of the public can hear and see the procedures, open the carrier
3 envelope only, and announce the name of the absent elector or the identification
4 serial number of the absent elector if the elector has a confidential listing under s.
5 6.47 (2). When the inspectors find that the certification has been properly executed,
6 the applicant is a qualified elector of the ward or election district, and the applicant
7 has not voted in the election, they shall enter an indication on the poll list next to the
8 applicant's name indicating an absentee ballot is cast by the elector. They shall then
9 open the envelope containing the ballot in a manner so as not to deface or destroy the
10 certification thereon. The inspectors shall take out the ballot without unfolding it
11 or permitting it to be unfolded or examined. Unless the ballot is cast under s. 6.95,
12 the inspectors shall verify that the ballot has been endorsed by the issuing clerk. If
13 the poll list indicates that proof of residence under s. 6.34 is required and proof of
14 residence is enclosed, the inspectors shall enter both the type of identifying
15 document submitted by the absent elector and the name of the entity or institution
16 that issued the identifying document on the poll list in the space provided. If the poll
17 list indicates that proof of residence under s. 6.34 is required and no proof of
18 residence is enclosed or the name or address on the document that is provided is not
19 the same as the name and address shown on the poll list, the inspectors shall proceed
20 as provided under s. 6.97 (2). The inspectors shall then deposit the ballot into the
21 proper ballot box and enter the absent elector's name or voting number after his or
22 her name on the poll list in the same manner as if the elector had been present and
23 voted in person.

24 **SECTION 15. Initial applicability.**
