**Subject:** Amendment to SB 469 and AB 592

Hey Bob-

Rep Ripp and Sen. Olsen are in need of an amendment to SB 469 and AB 592 that would alter the definition of a solicitation. DATCP came up with the following language and has been approved by Lexis Nexis.

“Solicit” means to directly advertise or market through writing or graphics and via mail, telefax or electronic mail to an individually identified person, residence or business location. “Solicit” does not include any of the following: (a) Communicating through a mass advertisement, including a catalog, a radio or television broadcast or a website; (b) Communicating via telephone, mail, or electronic communication, if initiated by the consumer; (c) Advertising and marketing to those with who the solicitor has a pre-existing business relationship.

This amendment would need to be rushed. Senator Cowles would like to hold an Exec Session on this bill next Tuesday, so we would need the amendment ASAP.

Let me know if you have any questions. Feel free to contact Brian Larson at Leg Council as well.

Thanks,

Amy Harriman
