

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-3919/1dn
PJK:wlj:jm

January 10, 2014

This companion bill differs from LRB-2431 in that demolition costs charged against the demolished property may be assessed and collected as a special charge and not as a special tax. This change makes the bill consistent with Act 87. Note that s. 66.0413 (1) (i) requires the cost of storage of personal property that is charged against demolished property to be assessed and collected as a special tax. Although it would be more consistent to assess and collect this charge as a special charge also, since it relates to the cost of storage of personal property and not to the cost of demolition, it is not in direct conflict with the change made to s. 66.0413 (1) (f) by Act 87.
