Description						
Placement of a child in a shelter care facility under a voluntary agreement						

Assumptions Used in Arriving at Fiscal Estimate

This bill permits a child to be placed in a shelter care facility for up to 20 days under a voluntary agreement. A child's parent, guardian, or a number of agencies may place, or act as intermediary to place, the child in a shelter care facility approved by the Department of Children and Families.

If the bill is enacted, prosecutors do not anticipate any fiscal effect on their offices.

Long-Range Fiscal Implications

Should this bill be enacted, prosecutors do not expect there to be a long-term fiscal impact on their offices.
