

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0169/P1dn
ARG:eev:ph

November 13, 2012

Please review the attached draft carefully to ensure that it is consistent with your intent. DOT did not specifically request treatment of s. 346.59 (2), but it seemed to me to be relevant to the request. Please advise if you would like me to remove the treatment of s. 346.59 (2). I also note that I did not treat provisions in ss. 346.803 to 346.805 requiring bicyclists and Segway riders to give audible signals on bicycle ways and sidewalks.

Please let me know if you would like any changes made to the attached draft or if you have any questions. If the attached draft meets with your approval, let me know and I will convert it to an introducible “/1” draft.
