

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-0176/P1dn
EVM:eev:jm

November 14, 2012

ATTN: Anna Richter

This draft provides two potential expiration dates for a license issued after cancellation: 1) two years from the date of the applicant's next birthday (existing law) and 2) the expiration date of the cancelled license at the time of cancellation. The new license is issued for the later of the two dates. Please let me know if you would like to change either of the expiration formulations or if you would like to make any other changes.
