

DRAFTER'S NOTE
FROM THE
LEGISLATIVE REFERENCE BUREAU

LRB-2603/P2dn
RPN:kjfrs

July 12, 2013

David,

I made the changes you suggested, including expanding the definition of “rights enforcement disabling provision” and making only that provision void, not the whole contract.

Let me know what you, or whoever at the LC reviews this, thinks about the redraft.
