1 **AN ACT** *to amend* 40.02 (48) (c); and *to create* 40.02 (17) (n), 40.02 (48) (am) 23.,
2 40.02 (48) (b) 5. and 40.65 (4w) of the statutes; **relating to:** classifying county
3 jailers, detention officers, and correctional officers as protective occupation
4 participants under the Wisconsin Retirement System.

Analysis by the Legislative Reference Bureau

Under current law, participants under the Wisconsin Retirement System (WRS) whose principal duties involve active law enforcement or fire suppression or prevention and require frequent exposure to a high degree of danger or peril and a high degree of physical conditioning are classified as protective occupation participants. Current law specifically classifies police officers, fire fighters, and various other individuals as protective occupation participants. Under the WRS, the normal retirement age of a protective occupation participant is lower than that of other participants and the percentage multiplier used to calculate retirement annuities is higher for protective occupation participants than for other participants.

This bill permits counties to classify county jailers, detention officers, and correctional officers eligible as protective occupation participants under the WRS without a requirement that their principal duties involve active law enforcement or active fire suppression or prevention.

Because this bill relates to public employee retirement or pensions, it may be referred to the Joint Survey Committee on Retirement Systems for a report to be printed as an appendix to the bill.
