OTT, MARKLEIN, KNUDSON, CZAJA, TRANEL, KLEEFISCH, SINICKI, HINTZ, HEBL, C. TAYLOR, VRUWINK and NASS. Referred to Committee on Judiciary and Labor.

2 positioning device and providing a penalty.

---

### *Analysis by the Legislative Reference Bureau*

This bill prohibits certain uses of a global positioning device (GPS). Under the bill, a person who places a GPS on a vehicle owned by another person without that person's knowledge or who intentionally obtains information regarding another person's movement or location generated by a GPS without that person's knowledge is guilty of a Class A misdemeanor. Additionally, under the bill a person who places a GPS on a vehicle used primarily by his or her spouse without the spouse's knowledge after a petition for an annulment, divorce, or legal separation has been filed is guilty of a Class A misdemeanor.

The bill creates exceptions for a person who installs a subscription-based communication or navigation system, for an employer who places a GPS to track, during business hours, commercial motor vehicles used for his or her business, and for a law enforcement officer acting in his or her official capacity.

Because this bill creates a new crime or revises a penalty for an existing crime, the Joint Review Committee on Criminal Penalties may be requested to prepare a report concerning the proposed penalty and the costs or savings that are likely to result if the bill is enacted.
