**\*-0617/2.49\*SECTION 1222.** 49.849 of the statutes is created to read:

**49.849 Recovery of correct payments under certain public assistance programs.** (1) DEFINITIONS. In this section:

(a) “Decedent” means a deceased recipient or a deceased nonrecipient surviving spouse, whichever is applicable.

(b) “Department” means the department of health services.

(c) “Nonrecipient surviving spouse” means any person who was married to a recipient while the recipient was receiving public assistance and who survived the recipient.

(d) 1. “Property of a decedent” means all real and personal property to which the recipient held any legal title or in which the recipient had any legal interest immediately before death, to the extent of that title or interest, including assets transferred to a survivor, heir, or assignee through joint tenancy, tenancy in common, survivorship, life estate, living trust, or any other arrangement.

2. Notwithstanding subd. 1., “property of a decedent” includes all real and personal property in which the nonrecipient surviving spouse had an ownership interest at the recipient’s death and in which the recipient had a marital property interest with that nonrecipient surviving spouse at any time within 5 years before the recipient applied for public assistance or during the time that the recipient was eligible for public assistance.

(e) “Public assistance” means any services provided as a benefit under a long-term care program, as defined in s. 49.496 (1) (bk), medical assistance under subch. IV, long-term community support services funded under s. 46.27 (7), or aid under s. 49.68, 49.683, or 49.685.

(f) “Recipient” means a person who received public assistance.

**(2) RECOVERABLE AMOUNTS.** (c) There is a presumption, which may be rebutted by clear and convincing evidence, that all property of the deceased nonrecipient surviving spouse was marital property held with the recipient and that 100 percent

of the property of the deceased nonrecipient surviving spouse is subject to the department's claim under par. (a).

**(3) TRANSMITTAL OF PROPERTY UPON RECEIPT OF AFFIDAVIT.** (a) Any property of a decedent that is transferred by a person who has possession of the property at the time of the decedent's death is subject to the right of the department to recover the amounts specified in sub. (2) (a). Upon request, the person who transferred the property shall provide to the department information about the property of the decedent that the person has transferred and information about the persons to whom the property was transferred.

(c) An affidavit under this subsection shall contain all of the following information:

1. That the department has a claim against the property that it intends to recover from the property.

2. The amount of and basis for the claim.

3. That the person may have a right to an administrative hearing under sub. (5m), which must be requested within 45 days after the department sent the affidavit, on the extent and fair market value of the recipient's interest in the property.

4. How to request an administrative hearing under sub. (5m).

5. That the person may request from the department a hardship waiver, if the person co-owned the property with the decedent or is a beneficiary of the property.

6. How to request a hardship waiver under subd. 5.

**(4) RECOVERY AGAINST REAL PROPERTY.** (c) All of the following apply to a lien under par. (a) that the department may not enforce because of par. (b):

1. If the decedent's surviving spouse or child who is under age 21 or disabled refinances a mortgage on the real property, the lien is subordinate to the new encumbrance.

2. The department shall release the lien in the circumstances described in s. 49.848 (5) (f).

**(4m)** ALLOWABLE COSTS OF SALE OF REAL PROPERTY. (a) Subject to par. (b), if any property of a decedent that is real property has been sold after the death of the decedent, only the following reasonable expenses, if any, incurred in preserving or disposing of the real property may be deducted from the sale proceeds that the department may recover:

1. Closing costs of sale, including reasonable attorney fees of the seller, the cost of title insurance, and recording costs.

2. Property insurance premiums.

3. Property taxes due.

4. Utility costs necessary to preserve the property.

5. Expenses incurred in providing necessary maintenance or making necessary repairs, without which the salability of the property would be substantially impaired.

(b) Any expense under par. (a) may be deducted from the sale proceeds only if it is documented and approved by the department and it was not incurred while any other individual was living on the property.

**(5c)** VALUE OF RECIPIENT'S INTEREST. For purposes of determining the value of the recipient's interest in property of the decedent, all of the following apply:

(a) If the recipient held title to real property jointly with one or more persons other than his or her spouse, the recipient's interest in the real property is equal to

the fractional interest that the recipient would have had in the property if the property had been held with the other owner or owners as tenants in common.

(b) If the recipient held title to personal property jointly with one or more persons other than his or her spouse, the recipient's interest in the personal property is equal to either of the following:

1. The percentage interest that was attributed to the recipient when his or her eligibility for public assistance was determined.

2. If the percentage interest was not determined as provided in subd. 1., the fractional interest that the recipient would have had in the property if the property had been held with the other co-owner or co-owners as tenants in common.

(c) If the recipient held a life estate in real property, the recipient's interest is equal to the recipient's percentage of ownership in the property based on the recipient's age on the date of death and calculated using the fair market value of the property and life estate-remainderman tables used by the department to value life estates for purposes of determining eligibility for Medical Assistance.

(d) A property's fair market value is the price that a willing buyer would pay a willing seller for the purchase of the property. The burden of proof for establishing a property's fair market value is on the surviving owners or beneficiaries, or their representatives. Fair market value must be established through a credible methodology, which may include an appraisal performed by a licensed appraiser.

**(5m)** FAIR HEARING. A person who has possession of any property of the decedent, or who receives an affidavit from the department under sub. (3) (c) for transmittal of any property of the decedent, is entitled to and may, within 45 days after the affidavit was sent, request a departmental fair hearing on the value of the property and the extent of the recipient's interest in the property, if the property is

not being transferred under s. 867.03 or through formal or informal administration of the decedent's estate.

**(5r) ACTION OR ORDER TO ENFORCE RECOVERY.** (a) If, after receipt of an affidavit under sub. (3), a person who possesses property of a decedent does not transmit the property to the department or timely request a hearing, the department may bring an action to enforce its right to collect amounts specified in sub. (2) (a) from the property or may issue an order to compel transmittal of the property. Any person aggrieved by an order issued by the department under this paragraph may appeal the order as a class 3 proceeding, as defined in s. 227.01 (3) (c), under ch. 227 by filing a request for appeal, within 30 days after the date of the order, with the division of hearings and appeals created under s. 15.103 (1). The date on which the division of hearings and appeals receives the request for appeal shall be the date of service. The only issue at the hearing shall be whether the person has transmitted the property to the department. The decision of the division of hearing and appeals shall be the final decision of the department.

(b) If any person named in an order to compel transmittal of property issued under par. (a) fails to transmit the property under the terms of the order and no contested case to review the order is pending and the time for filing for a contested case review has expired, the department may present a certified copy of the order to the circuit court for any county. The sworn statement of the secretary shall be evidence of the department's right to collect amounts specified in sub. (2) (a) from the property and of the person's failure to transmit the property to the department. The circuit court shall, without notice, render judgment in accordance with the order. A judgment rendered under this paragraph shall have the same effect and shall be entered in the judgment and lien docket and may be enforced in the same manner

as if the judgment had been rendered in an action tried and determined by the circuit court.

(c) The recovery procedure under this subsection is in addition to any other recovery procedure authorized by law.

Any determination of the department under this section that rail property is not abandoned shall not preclude the undertaking of a subsequent investigation and determination concerning the same rail property or any portion thereof. If at any time subsequent to the acquisition of rail property under this section the department determines that the rail property is not suitable for transportation purposes, recreational purposes, scenic purposes or for the purpose of constructing a correctional institution, or that the rail property or any interest therein may be conveyed to any other person on terms which are not inconsistent with the potential use of the rail property for transportation purposes, recreational purposes, scenic purposes or for the purpose of constructing a correctional institution or which yield a benefit, including financial benefits, to the state which outweighs the benefit derived from the rail property if used for transportation purposes, recreational purposes, scenic purposes or for the purpose of constructing a correctional institution, the department may convey the rail property or such interest therein, subject to any prior action under s. 13.48 (14) (am) or 16.848 (1) and subject to sub. 4. The applicant submits to the department a certification of compliance with soil and water conservation standards, as required by s. 91.80, issued by the county land conservation committee unless, in the last preceding year, the applicant received a tax credit under ss. 71.57 to 71.61 or s. 71.613 or a grant under this section for the same farm.

(b) If a farm is jointly owned by 2 or more persons who file separate income or franchise tax returns, each person may receive a grant under this section based on the person's ownership interest in the farm.

Each assessment made under this subsection is due on the 30th day commencing after the date on which notice of the assessment is mailed by the department. (3) If the department requires an individual to provide in person or by telephone or other electronic means a personal identifier of the individual in connection with a registration or registration renewal under this chapter, the department shall provide the individual an opportunity to declare that the individual's personal identifier may not be disclosed on any list that the department furnishes to another person.

(4) Upon request, the department shall provide to a registrant who is an individual a form that includes a place for the individual to declare that the individual's personal identifier may not be disclosed on any list that the department furnishes to another person.

(b) Paragraph (a) does not apply to a list that the department furnishes to another state agency, a law enforcement agency, or a federal governmental agency. A state agency that receives a list from the department containing a personal identifier of an individual who has made a declaration under sub. (2), (3), or (4) may not disclose the personal identifier to any person other than a state agency, a law enforcement agency, or a federal governmental agency.

**202.055 Change of name or address.** (1) An applicant or registrant that undergoes a change of name or address shall notify the department of the applicant's or registrant's new name or address within 30 days after the change in writing or in accordance with other notification procedures approved by the department.

(2) The department may serve any process, notice, or demand on a registrant by mailing it to the last-known address of the registrant as indicated in the department's records, or by other means established by the department by rule.

(3) Any person who fails to comply with sub. (1) shall be subject to a forfeiture of \$50.

**202.06 Disciplinary proceedings; enforcement of laws requiring registration.** (1) INVESTIGATIONS. The department may conduct investigations and hold hearings to determine whether any person has violated this chapter or any rule promulgated under this chapter.

(2) DISCIPLINARY ACTION. The department may reprimand a registrant or deny, limit, suspend, revoke, restrict, refuse to renew, or otherwise withhold a registration if the department finds that an applicant, registrant, or controlling person has done any of the following:

(a) Made a material misrepresentation or false statement in an application for registration or registration renewal or in any other information submitted to the department or in a report under s. 108.067.

(b) Violated this chapter or a rule promulgated under this chapter.

(3) FORFEITURE. In addition to or in lieu of a reprimand or a denial, limitation, suspension, revocation, restriction, nonrenewal, or other withholding of a registration under sub. (2), the department may assess against an applicant,

registrant, or controlling person a forfeiture of not more than \$1,000 for each violation.

(5) INJUNCTION. If it appears upon complaint to the department or the department otherwise knows that any person has violated this chapter, the department or the district attorney of the proper county may investigate and may, in addition to any other remedies, bring action in the name of and on behalf of the state against that person to enjoin the person from committing further violations of this chapter.

(6) PRACTICE WITHOUT A REGISTRATION. (a) If, after holding a public hearing, the department determines that a person has engaged in a practice or used a title without a required registration, the department may issue a special order enjoining the person from continuing the practice or use of the title.

(b) In lieu of holding a public hearing, if the department has reason to believe that a person has engaged in a practice or used a title without a required registration, the department may petition the circuit court for a temporary restraining order or an injunction as provided in ch. 813.

(c) 1. Any person who violates a special order issued under par. (a) may be required to forfeit not more than \$10,000 for each offense. Each day of continued violation constitutes a separate offense. The attorney general or any district attorney may commence an action in the name of the state to recover a forfeiture under this subdivision.

2. Any person who violates a temporary restraining order or an injunction issued by a court upon a petition under par. (b) may be fined not less than \$25 nor more than \$5,000 or imprisoned for not more than one year in the county jail or both.

(7) JUDICIAL REVIEW. Any person who is aggrieved by any action taken under this chapter by the department, its officers, or agents may apply for judicial review as provided in ch. 227.

**202.07 Administrative warnings.** (1) If the department determines during an investigation of a complaint against a registrant that there is evidence that the registrant committed misconduct, the department may close the investigation by issuing an administrative warning to the registrant if the department determines that no further disciplinary action is warranted, the complaint involves a first occurrence of a minor violation, and the issuance of an administrative warning adequately protects the public.

(2) A registrant may obtain review of an administrative warning through a personal appearance before the department.

(3) (a) An administrative warning does not constitute an adjudication of guilt or the imposition of discipline and, except as provided in par. (b), may not be used as evidence that the registrant is guilty of the alleged misconduct.

(b) If the department receives a subsequent complaint of misconduct by a registrant against whom the department issued an administrative warning, the department may reopen the matter that gave rise to the administrative warning and commence disciplinary proceedings against the registrant, and the administrative warning may be used as evidence that the registrant had actual notice that the misconduct that was the basis for the administrative warning was contrary to law.

(4) An administrative warning is a public record subject to inspection or copying under s. 19.35.

**202.08 Fees.** (1) The department shall determine the fees for an initial registration and for a registration renewal, including late fees for each type of

of the risk contribution theory of liability first announced by the Wisconsin Supreme Court in *Collins v. Eli Lilly Company*, 116 Wis. 2d 166 (1984), specifically, in order to return tort law to its historical, common law roots. This return both protects the rights of citizens to pursue legitimate and timely claims of injury resulting from defective products, and assures that businesses may conduct activities in this state without fear of being sued for indefinite claims of harm from products which businesses may never have manufactured, distributed, sold, or promoted, or which were made and sold decades ago. The legislature finds that the application of risk contribution to former white lead carbonate manufacturers in *Thomas v. Mallet*, 285 Wis. 2d 236 (2005), was an improperly expansive application of the risk contribution theory of liability announced in *Collins*, and that application raised substantial questions of deprivation of due process, equal protection, and right to jury trial under the federal and Wisconsin constitutions. The legislature finds that this section protects the right to a remedy found in article I, section 9, of the Wisconsin Constitution, by preserving the narrow and limited application of the risk contribution theory of liability announced in *Collins*.
