Agency Acronym: DWD

Agency Number: 445

Priority: Medium

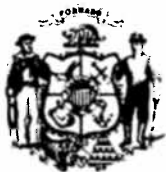

Intent:

Establish a new, continuing appropriation from which DWD may award grants to public and private organizations for costs related to customized workforce training. DWD should have the authority to establish procedures and criteria for the review and award of grants, establish reporting requirements, and conduct audits and inspections of grant recipients. There should be a requirement for matching funds as a condition of receiving a grant, but the match percentage is not known at this time.

It is not known at this time whether or not priorities or minimum/maximum award amounts will be identified in statute.
