Dear Atty. Kuesel,

Can you please draft an identical version of the attached amendment as an amendment to the Assembly companion bill, AB 15? Please also jacket it for introduction. This is an urgent request as we just received notice that the Workforce Development Committee will hold an executive session on the bill tomorrow afternoon.

Thank you,

Annika Petty

Subject: Work-share amendment

Hi Annika,

Here is the amendment that Senator Lehman had drafted that incorporates the labor provision from Senator Lassa's bill into Senator Farrow and Representative Brooks' bill. The UIAC (Unemployment Insurance Advisory Council-consisting of five representatives from labor and five from management) met last Thursday and voted to approve Senator Lassa's version of the work-share bill. It also said it would approve Senator Farrow and Representative Brooks' bill IF they amended it to incorporate the labor provision. As you probably know, the Legislature has a strong history of following the advice of the UIAC because its members are the experts who actually deal with the consequences of changes to UI.

Also as an fyi, both Senator Lassa's and the republicans' bills will need to be amended to incorporate some recommendations by the Department of Labor to ensure that Wisconsin would receive federal funding. That amendment has been sent back to DOL for its approval.

Thank you for your help and please feel free to contact me with any questions. (Also, if Rep. Shankland would prefer another member to introduce the amendment, that is fine by Senator Lassa.)

Have a great day,

Danielle Williams
Office of Senator Julie Lassa
