**Subject:** Drafting Request

Senator Olsen would like to request a draft that would make a change to Chapter 341 Registration of Vehicles.

---

**Current Law reads:**

341.05 When vehicles exempt from registration. A vehicle even though operated upon a highway of this state, is exempt from registration if any of the following applies.

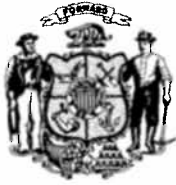

(20) The vehicle is an amphibious motor vehicle capable of carrying 10 or more passengers when used for sight-seeing purposes, registered as a boat with the department of natural resources and operated upon a highway for a distance not to exceed two miles

**We would like to change it to read:**

341.05 When vehicles exempt from registration. A vehicle even though operated upon a highway of this state, is exempt from registration if any of the following applies.

(20) The vehicle is an amphibious motor vehicle capable of carrying 10 or more passengers when used for sight-seeing purposes, registered as a boat with the department of natural resources and operated upon a highway for a distance not to exceed five miles.

# 2013 BILL

*part*

1 **AN ACT** *gen act*; **relating to:** the vehicle registration exemption for amphibious motor  
2 vehicles.

---

### *Analysis by the Legislative Reference Bureau*

Under current law, certain vehicles operated on the highway are not required to be registered with the Department of Transportation. These vehicles include amphibious motor vehicles capable of carrying at least ten passengers when the vehicle is used for sight-seeing purposes, registered as a boat with the Department of Natural Resources, and operated on a highway for a distance of not more than two miles.

This bill allows this vehicle registration exemption to apply to amphibious motor vehicles that are operated on a highway for a distance of not more than five miles, rather than two miles, if they otherwise meet the criteria described above.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.

***The people of the state of Wisconsin, represented in senate and assembly, do enact as follows:***

I made a mistake putting
