Hi Tamara:

Sen. Erpenbach would like to have some amendments drafted on SB 206 and they need to be done ASAP as it is scheduled for the floor tomorrow morning.

Thanks!

3. Require that a facility have a physician on staff to read the ultrasound.

All facilities that qualify to offer no cost ultrasounds must screen the woman for life threatening conditions that may be apparent on the ultrasound image, including but not limited to ectopic pregnancies.

Kelly Becker
