Subject: RUSH SB 335 amendment drafting request

Hi Gordon,

I have attached language below that we would like to have drafted into a Senate amendment to SB 335. The language below modifies the tuition reimbursement model of SB 335 to a certificate award program. I'm not sure how quickly you can turn this around, but there are hearings in both the Assembly and Senate on this bill tomorrow beginning at 10:00. If it would be possible to have the amendment by then to distribute to committee members, we would appreciate it.

Please let Brooke or I know if you have any questions.

Thanks,

Matt Wuebke
